

Join the international community of states, UN agencies and civil society organizations that have come together to ensure these banned weapons are never used again and to address their impact. **Over 120 States from every region of the world have already joined the Convention, including states that once stockpiled, produced and/or used cluster munitions.**

In recognition of the Convention's 12-year anniversary, we are putting forth 12 reasons why States should join the Convention without delay.
